ralisation and Colonization.

coures made regarding the character and methods of " Dave " Martin, Philadel litical boss and Senator Quay's man Friday, whom the Republican campaign managers have imported to look after that party's naturalization and colonization inter-cets here, have amazed the people of New York.

NUE HOTEL.

nething about election trickery, after readities of Martin, declare that if all that is said | six electoral votes are so much wanted. as a political corruptionist.

the man, and his employers have been em- good to the greatest number. It is the friend phatically asked to send him back where he of the workingman and the farmer slike. Its declared past record is one of justice and equality, and came from. His presence here, it is declared by many, was an insuit to every honest voter. Martin is to be associated with "Joe" Manley, of Maine, and the only John I. Davnoport in the conduct of the Republican Naturalization Bureau at 460 Pearl street.

Martin has been adv sed to "lay low" for a day or two, or until the storm raised by the Wonles expose of his career blows over. He may, it is said, go under cover for a while, but he is not the sort of man that he will stay down. He is always on hand on Kisction buy to perform the work he knows how to perform so experity.
